TO: REGIONAL CENTER EXECUTIVE DIRECTORS

SUBJECT: STATE OF EMERGENCY IN NAPA, SONOMA AND YUBA COUNTIES

As a result of the Tubbs Fire, Atlas Fire and other fires that started October 8, 2017, Governor Edmund G. Brown, Jr. declared a State of Emergency on October 9, 2017, for Napa, Sonoma and Yuba counties.

These fires have destroyed structures and continue to threaten thousands of homes, necessitating the evacuation of thousands of residents. They have damaged and continue to threaten critical infrastructure and have forced the closure of major highways and local roads.

The circumstances of these fires, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to combat.

Since there is a declared State of Emergency, the Department of Developmental Services (Department) is authorizing, pursuant to Title 17, California Code of Regulations section 54326 (a)(11), regional centers to pay vendors for absences that are the direct result of this fire in the county listed above. The applicable regulation section reads as follows:

[All vendors shall...] Not bill for consumer absences for nonresidential services. The Department shall authorize payment for absences which are the direct result of situations and/or occurrences for which a State of Emergency has been declared by the Governor. If payment for absences due to a State of Emergency is authorized by the Department, the vendor shall bill only for absences in excess of the average number of absences experienced by the vendor during the 12-month period prior to the month in which the disaster occurred.
