Self-Determination Program – Financial Management Services

On October 9, 2013 Governor Brown signed Senate Bill 468 into law, amending the Lanterman Act and mandating Regional Centers to implement a Self Determination Program. This could be a good option for individuals and families wanting more freedom, control, as well as responsibility in choosing services and supports. **It is important to note that the application is still in review at the federal level.**

Presenter:

Joe Hernandez, Premier Healthcare Services

January Crane, North Bay Regional Center

Lisa Hooks, State Council on Developmental Disabilities
