

Service Policy Manual

Transportation Services

North Bay Regional Center recognizes that Individuals with Developmental Disabilities may need assistance in obtaining transportation. NBRC may assist clients with the most cost effective transportation arrangements.

Transportation services may be purchased by NBRC through the Individual Program Plan/Individual Family Service Plan.

All generic resources must be exhausted before services are provided.

Services will follow Lanterman Developmental Disabilities Services Act guidelines.

The NBRC Executive Director may review and authorize an exception if warranted by individual circumstances.
