INDEPENDENT AUDITORS' REPORT

To the Board of Directors of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center

Report on the Financial Statements

We have audited the accompanying financial statements of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center (the "Center"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

The Center provides retirement benefits through its participation in the California Public Employees Retirement System ("CalPERS"). Because most of the member entities in CalPERS are governmental entities, CalPERS calculates the members' funded or unfunded status using methods and actuarial assumptions promulgated by Government Accounting Standard Board in GASB Statement No. 68 Accounting and Financial Reporting for Pensions. As a nonprofit organization, the Center is required to use a different accounting framework based on standards promulgated by the Financial Accounting Standard Board ("FASB"), and Accounting Standards Update 715 (ASU 715) – Compensation: Retirement Benefits – Defined Benefit Pension Plans requires different methods and actuarial assumptions than GASB. The Center reports its unfunded status using the actuarial report provided by CalPERS using GASB Statement No. 68 methods and actuarial assumptions, which are departures from accounting principles generally accepted in the United States of America. Management did not prepare an actuarial report in accordance with FASB's methods and actuarial assumptions. Accordingly, we were unable to obtain sufficient appropriate audit evidence about the Center's unfunded status by other auditing procedures.

Qualified Opinion

In our opinion, except for the possible effects of the matter discussed in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the Center's 2018 financial statements and we expressed a qualified audit opinion on those audited financial statements in our report dated March 29, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 6, 2020, on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

San Francisco, California March 6, 2020

Marcun LLP

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PURPOSE AND ORGANIZATION

North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center (the "Center"), was incorporated on April 16, 1970, as a California nonprofit corporation. The Center was organized in accordance with the provisions of the Lanterman Developmental Disabilities Services Act (the "Act") of the Welfare and Institutions Code of the State of California. In accordance with the Act, the Center provides diagnostic evaluations, client program management, and lifelong planning services for persons with developmental disabilities and their families. The Center is one of 21 regional centers within the State of California system and serves approximately 8,000 people in the counties of Napa, Solano, and Sonoma.

The Act includes governance provisions regarding the composition of the Center's Board of Directors (the "Board"). The Act states that the Board shall be comprised of individuals with demonstrated interest in, or knowledge of, developmental disabilities, and other relevant characteristics, and requires that a minimum of 50 percent of the governing board be persons with developmental disabilities or their parents or legal guardians; and that no less than 25 percent of the members of the governing board shall be persons with developmental disabilities. In addition, a member of a required advisory committee composed of persons representing the various categories of providers from which the Center purchases client services, shall serve as a member of the Board. To comply with the Act, the Board includes persons with developmental disabilities, or their parents or legal guardians, who receive services from the Center, and a client service provider of the Center.

The Center's mission statement is as follows:

The purpose of North Bay Regional Center is to assist people with developmental disabilities or at risk for developmental disabilities in the North Bay Area to obtain services and supports they need to live as other people live in the community.

The significant accounting policies which follow are presented to enhance the usefulness of the financial statements to the reader.

STATE OF CALIFORNIA CONTRACT

The Center operates under an annual cost-reimbursement contract with the State of California Department of Developmental Services (the "DDS") pursuant to the provisions of the Act. Maximum expenditures under the contract are limited to the contract allocation plus Intermediate Care Facility State Plan Amendment ("ICF-SPA") income, ICF-SPA administrative fee, and interest income. The Center is required to have the DDS' approval

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

STATE OF CALIFORNIA CONTRACT (CONTINUED)

for certain expenses. The Center is required to maintain accounting records in accordance with the Regional Center Fiscal Manual issued by the DDS. In the event of termination or nonrenewal of the contact, the State of California maintains the right to assume control of the Center's operation and the obligation of its liabilities.

Under the terms of these contracts, funded expenditures are not to exceed \$255,116,226, \$219,169,701, and \$219,262,849 for the 2018/19, 2017/18, and 2016/17 contract years, respectively, and are subject to budget amendments. As of June 30, 2019, actual net expenditures under the 2018/19, 2017/18, and 2016/17 contracts were \$253,249,786, \$211,781,397, and \$205,361,150, respectively.

BASIS OF ACCOUNTING

The Center prepares its financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which involves the application of accrual accounting. Accordingly, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred regardless of the timing of cash flows.

CLASSIFICATION OF NET ASSETS

U.S. GAAP requires that the Center report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, the net assets of the Center are classified and reported as follows:

Without Donor Restrictions

Those net assets and activities which represent expendable funds for operations related to the DDS contract. These accounts also record the activities of a federally-funded program.

With Donor Restrictions

Those net assets and activities which are donor-restricted for holdings of (a) support of specific operating activities; (b) investment for a specified term; (c) use in a specified future period; (d) the acquisition of long-lived assets; (e) assets donated with stipulations that they be used for a specified purpose, be preserved, and not be sold; or (f) assets donated with stipulations that they be invested to provide a permanent source of income.

As of June 30, 2019 and for the year then ended, the Center did not have any net assets or activities with donor restrictions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NET ASSETS WITHOUT DONOR RESTRICTIONS

The net asset group without donor restrictions is comprised of the Operating Fund and Donation Fund.

Operating Fund

These accounts are used to record primary activities of the Center, which are carried out under the DDS contract. These accounts also record the activities of the Community Placement Plan ("CPP") and a federally-funded program.

Donation Fund

The Donation Fund is used to record solicited and unsolicited support received by the Center for the benefit of its clients.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying amounts of receivables and accounts payable approximate fair value because of the short maturity of these instruments.

ESTIMATES

The Center preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

The Center considers all financial instruments with a maturity of three months or less when purchased, to be cash equivalents.

CONTRACT REIMBURSEMENT AND OTHER RECEIVABLES

The majority of the Center's receivables represents or relates to the cost-reimbursement contract with the DDS. Management believes that the receivables are fully collectible and, therefore, has not provided an allowance for doubtful accounts.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

STATE EQUIPMENT

Pursuant to the terms of the DDS contract, equipment purchases become the property of the State of California and, accordingly, are charged as expenses when incurred. The Center is required to track acquisitions of furniture and equipment with a cost or value in excess of \$5,000 and with an estimated life beyond one year. There were no equipment purchases meeting this threshold for the year ended June 30, 2019. The cumulative capitalized equipment cost was \$391,113 at June 30, 2019.

ACCRUED VACATION AND OTHER LEAVE BENEFITS

The Center has accrued a liability for leave benefits earned which is reimbursable under the DDS contract; however, such benefits are reimbursed under the DDS contract only when actually paid. When an employee separates from service, the employee will be paid their unused balance. The Center has also recorded a receivable from DDS for the accrued leave and retirement benefits to reflect the future reimbursement of such benefits.

DEFERRED RENT

The Center leases office facilities under lease agreements that are subject to scheduled acceleration of rental payments. The scheduled rent increases are amortized evenly over the term of the lease in accordance with U.S. GAAP. The deferred rent liability of \$385,069 at June 30, 2019, represents the difference between the cash payments made and the amount expensed since inception of the lease. The DDS contract reimburses the Center for rent after it is paid. The Center has also recorded a receivable from DDS for the deferred rent liability to reflect the future reimbursement.

REVENUE RECOGNITION - GRANTS

The Center recognizes revenue based upon costs incurred. Depending on the date of service, claims related to the DDS grant are classified and charged to the appropriate contract as follows:

- Current year
- Prior year
- Second prior year

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONTRIBUTIONS

Contributions are recognized as revenue when they are received or unconditionally promised, regardless of compliance with restrictions. Contributions without donor-imposed restrictions are reported as support without donor restrictions. Contributions with donor-imposed restrictions are reported as support with donor restrictions, which may be expandable or are required to be held in perpetuity.

The satisfaction of a donor-imposed restriction on a contribution is recognized in the period in which the restriction expires. This occurs by increasing one class of net assets and decreasing another in the statement of activities and changes in net assets. These transactions are reported as net assets released from restrictions and are reported separately from other transactions.

FEDERAL GRANTS

The Center is a sub-recipient to the DDS with regard to the following grant:

U.S. Department of Education

The Special Education - Grants for Infants and Families provides funding for early intervention services for infants and toddlers, through 36 months of age, as authorized by Public Law 102-119.

INCOME TAXES

The Center is a qualified organization exempt from federal income taxes under §501(c)(3) of the Internal Revenue Code ("IRC") and franchise taxes under §23701d of the California Revenue and Taxation Code, respectively. Accordingly, the Center is exempt from federal and California income taxes and is not liable for federal unemployment taxes.

Management evaluated the Center's tax positions and concluded that they maintained their tax exempt status and had taken no uncertain tax positions that would require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

The 2015 through 2018 tax years remain subject to examination by the Internal Revenue Service. In addition, the 2014 through 2018 tax years remain subject to examination by the California Franchise Tax Board. The Center is subject to routine audits by taxing jurisdictions; however, there are no audits pending or in process.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CONCENTRATIONS OF RISK

Credit Risk

Financial instruments, which potentially subject the Center to a concentration of credit risk, principally consist of cash and cash equivalents, contract receivables, and receivables from vendors. The Center invests cash in bank deposit accounts, which may at times, exceed the federally-insured limit. Through its contract with the DDS, the Center is reimbursed for its expenses. The ability of the DDS to honor its obligations and to continue funding is dependent upon the overall economic well-being of the State of California. The Center has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk.

Labor Force

The Center retains approximately 80 percent of its labor force through Social Services Union, Local 1021 (the "Union"). This labor force is subject to collective bargaining agreements and, as such, renegotiation of such agreements could expose the Center to an increase in hourly costs and or work stoppages. The current bargaining agreement will expire on December 12, 2020.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various program and supporting services have been summarized on a functional basis in the accompanying statements of activities and changes in net assets and functional expenses. Directly identifiable expenses are charged to programs and supporting services using management's estimates of the activities benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Center.

DEFINED BENEFIT PENSION PLAN

The Center participates in a defined benefit pension plan with California Public Employees' Retirement System ("CalPERS"). The Center records the unfunded defined benefit pension liability on the statement of financial position and recognizes the changes in the funded status on the statement of activities and changes in net assets in the year in which the change occurs.

The Center obtained the Governmental Accounting Standards Board Statement No. 68 ("GASB No. 68") Accounting Valuation report from CalPERS for the year ended June 30, 2019. GASB No. 68, Accounting and Financial Reporting for Pensions - an amendment of GASB Statements No. 27 and 50, establishes standards for measuring and recognizing liabilities, deferred outflows of resources, deferred inflows of resources, and expenses of

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

DEFINED BENEFIT PENSION PLAN (CONTINUED)

pensions that are provided by local government employers through pension plans that are administered through trusts that meet certain conditions. This report relies on liabilities and related validation work performed by the CalPERS' actuarial office as part of the June 30, 2019 annual funding valuation for the Plan. The June 30, 2018 liabilities, which were rolled forward to June 30, 2019, and used for this accounting valuation, are based on actuarial assumptions adopted by the CalPERS Board of Administration and consistent with the requirements of GASB No. 68. This GASB No. 68 actuarial reporting is not in conformity with U.S. GAAP (See Note 6).

SUMMARIZED COMPARATIVE FINANCIAL INFORMATION

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Center's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

On August 18, 2016, the Financial Accounting Standards Board ("FASB") issued ("ASU") 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities.* The update addresses the classification of net assets, information about liquidity, availability of resources, the types of information provided about expenses, and investment return for nonprofit organizations. The Center adopted ASU 2016-14 and presented, as new key information, liquidity disclosure and presented two classes of net assets instead of three classes.

RECENT ACCOUNTING PRONOUNCEMENTS

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606) related to revenue recognition.

Subsequent to the issuance of ASUs 2014-09, the FASB issued the following ASUs to clarify certain matters related to FASB ASC 606 and related FASB ASC Topics:

- 2016-08, Revenue from Contracts with Customers (Topic 606): Principal versus Agent Considerations (Reporting Revenue Gross versus Net)
- 2016-10, Revenue from Contracts with Customers (Topic 606): Identifying Performance Obligations and Licensing

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECENT ACCOUNTING PRONOUNCEMENTS (CONTINUED)

- 2016-12, Revenue from Contracts with Customers (Topic 606): Narrow-Scope Improvements and Practical Expedients
- 2016-20, Technical Corrections and Improvements to Topic 606, Revenue from Contracts with Customers
- 2017-05, Other Income Gains and Losses from the Derecognition of Nonfinancial Assets (Subtopic 610-20)

These updates introduce ASC Topic 606, *Revenue from Contracts with Customers*, and supersedes the revenue recognition requirements in ASC Topic 605, *Revenue Recognition*. In 2016, the FASB issued final amendments clarifying implementation guidance for principal versus agent considerations, identifying performance obligations, assessing collectability, presenting sales taxes, measuring noncash consideration, and certain other transition matters. ASC 606 is effective as of July 1, 2019. Management is evaluating the impact of this new guidance.

On June 21, 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958) Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. ASU 2018-08 applies to all entities, including business entities that receive or make contributions of cash and other assets (except for transfers of assets from government entities to business entities).

ASU 2018-08 provides guidance on determining whether a transaction should be accounted for as a contribution or as an exchange transaction. A primary aspect of this determination is whether the two parties receive and sacrifice commensurate value. Making this determination is important because distinguishing between contributions and exchange transactions determines which guidance is applied. For contributions, an entity should follow the guidance in FASB ASC 958-605, *Not-for-Profit Entities—Revenue Recognition*, whereas, for exchange transactions, an entity should follow other guidance (for example, FASB ASC 606, *Revenue from Contracts with Customers*).

ASU 2018-08 could result in more grants and contracts being accounted for as contributions (often conditional contributions) than under current U.S. GAAP. Accounting for the grant or contract as a contribution is expected to be less costly than applying FASB ASC 606 (including the additional disclosure requirements). ASU 2018-08 also provides guidance on determining whether a contribution is conditional, helping entities better distinguish a donor-imposed condition from a donor-imposed restriction. The ASU requires entities to determine whether a contribution is conditional on the basis of whether an agreement includes a barrier that must be overcome and either a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECENT ACCOUNTING PRONOUNCEMENTS (CONTINUED)

Additionally, ASU 2018-08 modifies the simultaneous release option currently in U.S. GAAP, which allows a not-for-profit organization to recognize a restricted contribution directly in net assets without donor restrictions, if the restriction is met in the same period that the revenue is recognized. This election may now be made for all restricted contributions that were initially classified as conditional without having to elect it for all other restricted contributions and investment returns. ASU 2018-08 is effective as of July 1, 2019. Management is evaluating the impact of this new guidance.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. ASU 2016-02 will require lessees to recognize for all leases (with terms of more than 12 months) at the commencement date the following: a) a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis, and b) a right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term.

The new lease guidance also simplified the accounting for sale and leaseback transactions primarily because lessees must recognize lease assets and lease liabilities. On July 17, 2019, FASB voted to issue proposals to delay the effective date of this ASU by at least one year. ASU 2016-02 will be effective for fiscal years beginning after December 15, 2022 under the proposed delay. Early application is permitted. Management is evaluating the impact of this new guidance.

NOTE 2 - CONTRACT REIMBURSEMENT RECEIVABLE

Contract reimbursement receivable consists of the following at June 30, 2019:

Claims submitted:

Current year	\$ 80,144,121
Prior year and second prior year	282,805
	80,426,926
Reimbursable expenses not yet submitted	16,331,829
Total	\$ 96,758,755

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 3 - INTERMEDIATE CARE FACILITIES - STATE PLAN AMENDMENT

During the year ended June 30, 2011, various legislative changes were made to the California Welfare and Institutions Code retroactive to July 1, 2007, making Intermediate Care Facility ("ICF") providers responsible for providing day treatment and transportation services; and ultimately, making such services eligible for Federal Financial Participation.

Previously, such services provided to the residents were not reimbursable by Medicaid because the funds were not directly billed and received by the ICFs. The legislative changes allow for the DDS to bill these services to Medicaid and capture federal funds.

The billings included a 5.5% Quality Assurance fee for the State Department of Health Care Services ("DHCS"), a 1.5% administrative fee for the ICFs, and a 1.5% administration fee for the Center.

The ICFs were directed to remit to the Center the amount received less its administration fee and the Quality Assurance fee, which it must remit to DHCS. After the Center received the net payment from the ICFs, the Center was directed to remit the amount to the DDS, net of its administration fee. The DDS has instituted protocols should the ICFs not remit the net amounts due to the Center.

Effective July 1, 2012, DDS directed the Center to prepare billings for these services on behalf of the ICFs and submit a separate state claim report for these services in addition to paying the ICF directly for their services. The Center was directed to reduce the amount of their regular state claim to DDS by the dollar amount of these services. Reimbursement for these services will be received from the ICFs. DDS advances the amount according to the state claim to the ICFs. The ICFs are then required to pass on the payments received, as well as the Center's administrative fee to the Center within 30 days of receipt of funds from the State Controller's Office.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 3 - INTERMEDIATE CARE FACILITIES – STATE PLAN AMENDMENT (CONTINUED)

The Center's activity is as follows as of June 30, 2019:

Beginning balance	\$ 2,308,127
Adjustments	37,575
Total billed due from vendors	4,935,827
Amount remitted by vendors	 (4,628,980)
Total Receivable From ICFs	\$ 2,652,549
Beginning balance	\$ 281,601
Adjustments	
Amount remitted by Center to DDS	
Total payable to DDS	\$ 281,601
Deferred Administrative Fee	\$

NOTE 4 - LINE OF CREDIT

The Center had a revolving line of credit with MUFG Union Bank, N.A. whereby it may borrow up to \$15,000,000 through the maturity date, September 30, 2019. The line of credit is secured by substantially all of the Center's assets with interest at the bank's reference rate plus 5% per annum. At the closing of business on June 30, 2019, the interest rate was 5.5%. As of June 30, 2019 the outstanding balance of line of credit was \$1,750,000.

NOTE 5 - CONTRACT ADVANCE

The contract advance balance represents monies the DDS advances to the Center at the beginning of each fiscal year to provide interest-free working capital. The DDS uses its discretion in determining the balance on a month-to-month basis. If the DDS so chooses, the advance can be paid by offsetting claim reimbursements partially or in full, or requiring the Center to make a payment.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 6 - DEFINED BENEFIT PENSION PLAN

The Center has a defined benefit pension plan covering all employees through CalPERS. All employees are, immediately upon hire, enrolled in the pension plan. Participants with at least five years of service credits are fully vested. For the year ended June 30, 2019, the Center contributed \$1,780,335 to CalPERS.

ASSET VALUATION METHOD

On April 17, 2013, the CalPERS Board of Administration approved a recommendation to change the CalPERS amortization and rate smoothing policies. Beginning with the June 30, 2013 valuations that set the 2015-2016 rates, CalPERS will employ an amortization and smoothing policy that will pay for all gains and losses over a fixed 30-year period with the increases or decreases in the rate spread directly over a 5-year period. CalPERS will no longer use an actuarial value of assets and will use the market value of assets. (See Note 1).

The Public Employees' Retirement Law (Part 3 of the California Government Code, §20000 et seq.) establishes benefit provisions for CalPERS. CalPERS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, California 95814.

The unfunded liability as of June 30, 2019, the most current valuation, was as follows:

Benefit obligation	\$ 58,216,925
Market value of assets	 (43,073,411)
Unfunded Liability	\$ 15,143,514

The changes in benefit obligation for the year ended June 30, 2019, were as follows:

Benefit Obligation - Beginning	\$ 54,731,412
Service cost	1,895,185
Interest cost	3,905,170
Actuarial (gain) loss	192,361
Benefits and expenses paid	(2,507,203)
Benefit Obligation - Ending	\$ 58,216,925

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 6 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

ASSET VALUATION METHOD (CONTINUED)

Fair Value of Plan Assets - Beginning

A reconciliation of the market value of assets over the prior year was as follows:

Tun value of Figure 1990 to 1991 miles	Ψ	10,521,071
Contributions:		
Employer		1,717,384
Employee		919,960
Investment return		2,650,058
Benefit payments to retirees		(2,507,203)
Admin expenses and other miscellaneous adjustments		(28,682)
Fair Value of Plan Assets - Ending	\$	43,073,411
Net change in pension benefit unfunded liability for the year ended J of the following components:	une 30,	, 2019 consists
Service cost	\$	1,895,185
Interest cost		3,905,170
Expected return on plan assets		(2,883,372)
Net Pension Periodic Benefit Cost		2,916,983
Changes of assumptions		(871,570)
Differences between expected and actual experience		(1,311,417)
Net Change in Pension Benefit Unfunded Liability	\$	733,996
The significant actuarial assumptions are as follows:		
Long-term discount rate		7.15%
Payroll growth		3.00%
Expected long-term rate of return		7.375%

The expected employer and employee contributions to be paid to CalPERS during the year ending June 30, 2019, are \$1,717,384 and \$919,960, respectively.

40,321,894

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 6 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

ASSET VALUATION METHOD (CONTINUED)

The asset allocation as of June 30, 2019, is as follows:

	Allocation Allocatio	
Public equity	48.80%	49.00%
Global fixed income	22.50%	22.00%
Real assets	10.80%	12.00%
Private equity	7.70%	8.00%
Inflation sensitive asset	5.90%	6.00%
Liquidity	3.40%	3.00%
Other	0.90%	0.00%
Total	100.00%	100.00%

The starting point and most important element of CalPERS' return on investment is the asset allocation or diversification among stocks, bonds, cash, and other investments. Asset allocation is not an asset-only or liability-only decision. All factors, including liabilities, benefit payments, operating expenses, and employer and member contributions are taken into account in determining the appropriate asset allocation mix. The goal is to maximize returns at a prudent level of risk which presents an ever-changing balancing act between market volatility and long-term goals.

CalPERS follows a strategic asset allocation policy that identifies the percentage of funds to be invested in each asset class. The asset allocation of assets shown above reflects the values of the Public Employees Retirement Fund (the "PERF") in its entirety as of June 30, 2018. The assets for the Center are part of the PERF and are invested accordingly.

Sensitivity of the Unfunded Liability to Changes in the Discount Rate

Increase of 1% (8.15%)	\$ 8,775,424
Currently 7.15%	\$ 15,143,514
Decrease of 1% (6.15%)	\$ 22,843,628

For the year ended June 30, 2019, the actuarial computed employer contribution rates was 12.69%.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 7 - OPERATING LEASES

The Center leases all of its facilities. Rent expense on these leases for the year ended June 30, 2019, was \$1,759,781. The Center also leases office equipment and the equipment rental expense for the year ended June 30, 2019 was \$52,071.

Future obligations on leases in effect at June 30, 2019 are as follows:

For the	Years	Ending
---------	-------	--------

\mathcal{E}	
June 30,	Amount
2020	\$ 1,638,342
2021	1,486,230
2022	1,133,560
2023	1,161,892
2024	1,190,944
Thereafter	 2,365,301
Total	\$ 8,976,269

NOTE 8 - COMMITMENTS AND CONTINGENCIES

LITIGATION

The Center is currently a defendant in several litigious actions, in addition to threats of litigation arising out of the normal course of operations. Management believes it has adequate defenses and insurance coverage for these actions and, thus, has made no provision in the financial statements for any losses relating to the settlement of such claims. These matters have been referred to the Center's attorneys and/or insurance carriers. In management's opinion, material unfavorable outcomes are remote.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 8 - COMMITMENTS AND CONTINGENCIES (CONTINUED)

FUNDING

The majority of the Center's funding is provided under annual grants and contracts with federal and California agencies. If a significant reduction in the level of funding provided by these governmental agencies were to occur, it may have an effect on the Center's programs and activities.

The Center's contract with the DDS provides funding for services under the Act. In the event that the operations of the Center result in a deficit position at the end of the contract year, the DDS may reallocate surplus funds within the State of California system to supplement the Center's funding. Should a system-wide deficit occur, the DDS is required to report to the Governor of California and the appropriate fiscal committee of the State Legislature and recommend actions to secure additional funds or reduce expenditures.

The DDS' recommendations are subsequently reviewed by the Governor and the Legislature and a decision is made with regard to specific actions, including the possible suspension of the entitlement.

The Center's revenue, which is derived from restricted funding provided by government grants and contracts, is subject to audit by the governmental agencies. In accordance with the terms of the DDS contract, an audit may be performed by an authorized DDS representative. Should such an audit disclose any unallowable costs, the Center may be liable to the State of California for reimbursement of such costs. In management's opinion, the effect of any disallowed costs would be immaterial to the financial statements as of June 30, 2019, and for the year then ended.

NOTE 9 - SELF-INSURED UNEMPLOYMENT INSURANCE

The Center makes contributions to a Joint Unemployment Compensation Trust (the "Trust"), which provides funding to reimburse the State of California for unemployment benefits it pays to former employees who have terminated their employment. The Trust also carries stop-loss insurance, with accumulated reserve in the amount of \$191,815, to cover possible exposure of unusual employment claims.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 10 - LIQUIDITY AND FINANCIAL RESOURCES

The Center has various sources of liquidity at its disposal, including cash and contact receivables which are available for general expenditures, liabilities and other obligations as they come due. Management regularly reviews the cash flow needs and focuses on maintaining sufficient liquidity throughout the year. To help manage unexpected liquidity needs, the Center has obtained a line of credit of \$15,000,000, of which \$13,250,000 were unused and available to draw upon as of June 30, 2019.

The Center's financial assets available within one year of the statement of financial position date for general expenditures at June 30, 2019, were as follows:

Financial Assets

Cash and cash equivalents	\$	209,331
Contract reimbursement receivable, net of contract advance		
and unsubmitted claims		21,918,849
Receivable from Intermediate Care Facilities - Go Forward	_	2,652,549
Total Financial Assets Available Within One Year		24,780,729
Less: line of credit due within one year		(1,750,000)
Financial Assets Available to Meet General Expenditures Within One Year	\$	23,030,729

NOTE 11 - SUBSEQUENT EVENTS

The Center has evaluated all subsequent events through March 6, 2020, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center (the "Center"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our qualified report thereon dated March 6, 2020. Our report was qualified due to the Center's unfunded pension liability not being presented in accordance with accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Francisco, California March 6, 2020

Marcun LLP

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center

Report on Compliance for Each Major Federal Program

We have audited North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center's (the "Center") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Center's major federal program for the year ended June 30, 2019. The Center's major federal program is identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statues, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Center's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S.; *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal programs to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of North Bay Developmental Disabilities Services, Inc. dba North Bay Regional Center (the "Center") under programs of the federal government for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Center, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Center.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as a reimbursement.

NOTE 3 - INDIRECT COST RATE

The Center has elected not to use the 10% de minimis indirect cost rate.
