

North Bay Regional Center

2020 Performance Contract Public Meeting Comment Form

What is a Performance Contract?

The contract is a comprehensive, performance based accountability system for all regional centers. The goals will be modified annually and be focused on how the regional center performed in meeting community based services.

The report will also include Disparity and Employment outcomes for each regional center. The reports can be found at www.nbrc.net

How can you help?

1. Review the report. Then think about the individual areas and are they capturing what you think is important?
2. Attend our Public Meetings to hear the presentation and offer feedback.
